REALTORS, DEVELOPERS, AND LENDERS:

Reach the most affluent audience in the Spokane Coeur d' Alene area BEFORE they've decided to buy or sell. Our Real Estate section, running inside Spokane CDA Living magazine, is specially priced and professionally designed to meet every need: an attractive listing section, Realtor profiles, gated communities and developments, condo and builder profiles, and display ads you can format any way you like. Position yourself and your properties among the elite.

POWER PLAYERS

If you are among the Diamond Level of realtors in your firm you'll be listed in our Top Realtors article (March Issue) and will be designated a Power Player. If you advertise in that issue we'll also include your photograph.

PROFILES

Professionally written profiles are articles with photos spotlighting your service or a Realtor, builder, or developer of communities or condominiums. You supply the photos and we'll do the writing. Lead pages are the first page of each section with a large photo and small price. Available in full page or half page formats. See flip side for special pricing and smaller sizes available twice a year.
